L'azienda Ital Proget nasce nei primi anni '80 con l'intento di progettare e realizzare arredamenti per bar, gelaterie, pasticcerie, panetterie e ristoranti.

Nel tempo si è particolarmente distinta per l'accuratezza con la quale ha servito i propri clienti proponendo arredamenti che hanno sempre espresso le loro esigenze.

Praticità dei servizi, cura del design, ricerca dei materiali e produzione, questo è ciò che l'Ital Proget mette a disposizione della propria clientela tramite il suo qualificato staff tecnico in grado

di ottenere la realizzazione di arredamenti e banchi frigoriferi estremamente funzionali e di grande impatto estetico.

Qualità ed Innovazione sono da sempre le prerogative che Ital Proget ha costantemente cercato di perseguire e sviluppare. Per questo motivo l'attività dell'Ital Proget viene supportata da un centro studi in cui vengono ideate continuamente nuove soluzioni di banchi frigoriferi per la conservazione e l'esposizione di gelati, pasticceria e gastronomia.

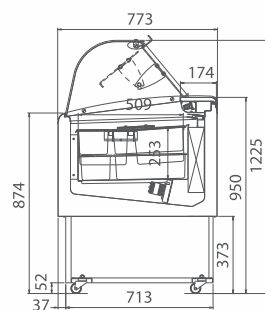

Ital Proget was founded in the early 1980's with the goal of designing and building interiors for bars, ice cream shops, pastry shops, bakeries and restaurants. Over time we have built a reputation for the professionalism with which we serve our clients whilst offering them design solutions that always express their needs.

Efficiency of equipment, attention to design, research of materials and production - this is what Ital Proget offers its clients. Through our qualified technical staff we are able to create

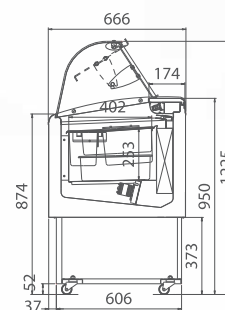

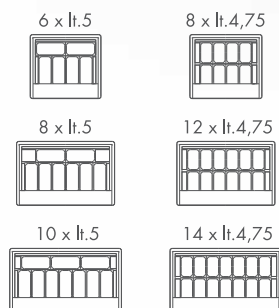

interiors and refrigerated display cases that are extremely functional whilst having a great aesthetic impact.

Quality and innovation have always been the goals that Ital Proget has continuously strived for and developed. For this reason Ital Proget works in collaboration with a research centre where new solutions for refrigeration units for the conservation and display of ice creams, pastries and other food products are continuously being developed.
